 Upload A Tune

May has been eerily quiet here at Amazing Towers while our music teams have been out and about in the first weeks of the 2016 festival calendar. What this brings is the calm before the storm because as soon as their last gasp of energy allows the guys and girls back through the front door, the energy and enthusiasm about new music is at it's highest and the buzz around the company is infectious!

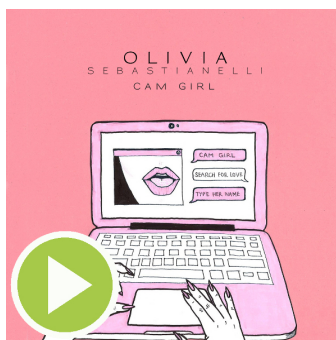

Read about their travels, check out the best new music releases, and keep up to date with all goings on with team *amazing*.

Wednesday 22nd June

Sounds like fun to us!

We'll be running a competition for a pair of tickets shortly but if you want to make sure you're definitely there they are available now... [right here!](#)

This month has been a heavy one for [Boy Jumps Ship](#). Kicking off May with their 9-date headline tour from **Glasgow** to **Camden**, the lads got sweaty bringing their trademark energy and passion to every city they hit.

After the release of their debut album and just about three months of ceaseless touring, they then settled down for a well deserved rest. For a week, or so. They then lugged all of their gear down to Brighton to play on **Generator's** showcase at [The Great Escape](#), and then at the [Alternative Escape](#) with [Scuzz TV](#) and [AIM](#). Roll on the Summer...

Both [The Qemists](#) and [Therapy?](#) made a start to their upcoming 2016 festival binge this month. After wicked sets at [Čarodějáles](#) from The Qemists and at [Whitby Goth Weekend](#) from Therapy?, both bands are now gearing up to hit festivals in France, Spain, Sweden, Bulgaria, Germany, and the UK.

**FOUR BY FATE**

It is officially now **Summer**, and the rest of the year is looking absolutely 'chocka'. Our next release is [FOUR BY FATE's Relentless](#) on the **4th of June**. You don't wanna miss this...

This year we got round more gigs than ever seeing the likes of Kojey Radical, Ry X and Black Honey amongst others; we grabbed people for interviews, recorded a special [Takeover Show](#) with Adam Ryan the booker of the festival and broadcasted live on site via [Dani Charlton](#) and [Emma & Chris](#). Check out the [full story](#) of our visit to Brighton this year.

Following our recent teaming up with **[PIAS] Nites** at The Great Escape who's stage hosted [The Parrots](#), [Twin Wild](#), [Thomas Cohen](#) and [Anna Of The North](#), we're pleased to announce we'll be teaming up with [PIAS] some more with a series of **bi-monthly events**. The first will be at [The Lexington, London](#) on the 22nd of June and will feature [Happyness](#), [Warhaus](#) and [J Churcher](#).

We have seen the future of music videos, and it is virtual reality. And it's being shown to us by [Aloud](#), a **DIY rock outfit** who have produced several videos that we're fans of, and who are now [staging a crowdfunding project](#) to head into the new frontier. We'll be following their progress over on the [OurStage blog](#).

*The Upset Victory*

Speaking of new videos, [The Upset Victory](#) has recently released the official lyric video for their great new single "Don't Give Up The Night." [Watch it here](#).

It was another solid month for the charts on *OurStage*, as evidenced by the winners featured on our [Amazing Radio show](#). You can listen to it now to hear the Top 5 artists of the month, as well as selections from the top of the genre charts. Some extra special favorites include the Electronic winner, a **California duo** called [Westvale](#), as well as the song featured as our Video of the Month ([up now on our homepage](#)), "Sound of Summer" by a London singer called [Little Lapin](#).

Finally, some bad news – one of our longtime artists, [Pullman Standard](#), had their trailer stolen along with more than \$25k in gear and merchandise. If you're so inclined, you can help them [get back on their feet and performing again here](#).

## ..at The Great Escape

With festival season upon us we released Johnny, one of our music profilers, out into the wild for the weekend at [The Great Escape](#) festival in Brighton.

*"The Great Escape is one of the best places to find really good new music. The whole place is just full of talented musicians, singers and songwriters. You don't even have to go to the big stages. I've found incredible bands who have just set up in a little alleyway and started playing. Scouting for music in a place like this is the best job in the world."*

Once Johnny had returned and was safely put back into his cage, we got the chance to listen to some of the great music he'd found. It was, if you'll pardon the expression, *amazing!* Not just some of it; Not just most of it; Every single track from every single band he met with. We might even let Johnny out for [Glastonbury](#), but only if he's good!

**Day Wave**  
& Johnny from *Amazing Instore*

Now that the bands have uploaded their tracks to [amazingtunes.com](#) they will make their way onto our in-store playlists, getting money every time their tracks are used and gaining new fans in the process.

For your chance to be included on one of our ever expanding playlists, simply upload your music to [amazingtunes.com](#)
